Scholastic Eligibility: Athletes are responsible for academic performance and should plan their time so that they devote sufficient time to their academic work as to not allow athletics to interfere with their studies. If an athlete sees that there may be an issue with this, they should schedule a time to speak to the coach to attempt to resolve any conflicts and to help students with appropriate solutions. To be fair and consistent to all student-athletes, no exception to the below policy will be made. Students are encouraged to check their grades throughout the trimester to ensure they are doing well. Students should not wait to the last minute to try to make up missing work.

If a student is failing and/or has an Incomplete in two classes, he or she will be suspended from the team for two weeks. No participation with the team at games or practices is allowed. If at the end of the two week suspension a passing grade is earned in all classes, the student will be reinstated. If a passing grade is not earned after the two week suspension in all classes, the student will be permanently removed from the team. If a student is failing or has an Incomplete in three or more classes, that student will be suspended from the team for the remainder of that season. Determination of eligibility will be made at mid-term report time, (day the midterms go home) or when grades are posted at the end of the trimester.
